

ONE TEAM ONE FIGHT

Who Are We?

The Naval Special Warfare Foundation.

Our Mission:

The SEAL - Naval Special Warfare Foundation was established in 2000 to support the active duty U.S. Navy SEALs, Special Boat Teams and Support personnel at NSW commands, as well as their families. We have 3 pillars of our mission: when tragedy strikes and an active duty member at an NSW command is killed or wounded in action, we offer financial assistance and a host of other benefits to these NSW families. We also award scholarships for the children and spouses of active duty NSW servicemen as well as tuition assistance for the active duty member. Lastly, we promote the preservation of the history and heritage of the NSW community through monuments at national sites in DC, San Diego, Virginia Beach and elsewhere.

Why?

Although our mission was not created by war, it has made more important and more difficult as a result of it. Since 9-11 of 2001 the Naval Special Warfare community has lost over 39 men. We need your support in fund-raising for the NSW Foundation. Be a part of the team.

How?

- Register for your race
- Ask people to support your efforts
- Make a pledge online: www.nswfoundation.org and select 'One Team One Fight' from the drop down menu on the online donation form
- Download the pledge sheet to help you keep track of the donations

What you get:

By racing for One Team One Fight and pledging to raise at least \$100 for the Naval Special Warfare Foundation:

- Receive an OTOF T-shirt
- Receive an OTOF water bottle
- Be automatically registered to win prizes for the top fundraiser (awarded at the end of the year)

SEAL - NAVAL SPECIAL WARFARE FOUNDATION
